

New Electrolux product range in Dark Stainless Steel

This year, Swedish appliance manufacturer, Electrolux, celebrates one hundred years' experience designing premium cooking appliances for the home and professional kitchen.

To mark the centenary, Electrolux has launched a full new kitchen suite in dark stainless steel which showcases its Swedish principals of design and innovation for better living.

Electrolux 60cm Dark Stainless Steel Multifunction Pyrolytic Oven (EVEP618DSD)

60cm Dark Stainless Steel 16 multifunction steam oven with pyrolytic cleaning, Intuitive Oven Interface and Smart Food Probe.

RRP: \$2,939

- The **Intuitive Oven Interface** simplifies navigating your oven for a more responsive way of cooking
- **For delicious taste and texture, just add steam.** Advanced steam functions ensure you cook with the right balance of steam and heat for richer colours, crisper skins and more tender and juicy textures
- For the perfect result every time, the **Smart Food Probe** alerts you when your food reaches the desired core temperature and switches off
- **An oven that cleans itself.** Unleash your creative skills in the kitchen without worrying about the mess. Just set the pyrolytic function, come back when it's finished and wipe away the residue, without hard scrubbing or exposure to harsh chemicals

Electrolux 681L Dark Stainless Steel French Door (EHE6899BA)

Connected 681L Dark Stainless Steel French Door refrigerator with FlexFresh™ convertible drawer, SmartSplit door design and ice and water dispenser.

RRP: \$3,699

- The **FlexFresh fully convertible entertainer drawer** can adjust from -23°C to +7°C* with 5 predefined settings at the touch of a button
- Reduce food waste with the innovative **TasteLock crispers** which automatically control the humidity levels to keep your fruit and vegetables at their best for longer
- Use the **UltraChill setting** to deep chill meat and fish at the optimum condition without freezing to preserve taste and texture (-2°C)
- **Intuitive door design** so you have more usable space in your refrigerator door and can effortlessly reach for larger items, saving you the need to open both doors every time
- Stay connected with the **Electrolux app** allows you to adjust and monitor each compartment's temperature to ensure you have the ideal conditions for freshest ingredients every time

Electrolux 90cm Induction cooktop with FlexiBridge & Chef Mode (EHI997BD)

90cm five zone induction cooktop with FlexiBridge, Chef Mode, MaxiZone, 14 stage slide controls and Hob2Hood capability.

RRP: \$2,939

- Your kitchen, your way with **FlexiBridge technology** which allows you to combine your induction segments in a range of ways or create the largest single cooking area available
- **Cook like a chef with Chef Mode.** Choose between different pre-set heated zones by simply moving your pan across the hob
- **For control at your fingertips,** the touch controls on this hob lets you heat up, down or switch off immediately. The **Stop & Go** feature offers a useful “keep warm” setting if you’re unexpectedly interrupted
- **The extra-large MaxiZone** gives you the freedom to try that delicious paella you’ve always wanted to cook at home
- While you concentrate on the flavours, the innovative **Hob2Hood** feature will keep the kitchen fresh. The rangehood automatically turns on as soon as you start cooking, and intuitively adjusts the fan speed with your cooking

Electrolux Dark Stainless Steel 86cm Integrated Rangehood (ERI184DSD)

RRP: \$1,109

90cm Dark Stainless Steel canopy rangehood with Hob2Hood technology, maximum airflow of 790m³/h and long lasting LED lighting.

- Designed to work seamlessly with compatible Electrolux cooktops, the **Hob2Hood** feature automatically turns on as soon as you start cooking, and intuitively adjusts the fan speed with your cooking
- Remove odours and vapours quickly and efficiently with a high airflow rate of 790m³/h
- With noise levels as low as 50dB(A), keep the conversation going smoothly when entertaining guests
- **Long lasting LED lights** illuminates the complete cooking surface giving you full control over your delicious cuisine

Electrolux Dark Stainless Built-Under ComfortLift Dishwasher (ESF8735RKX)

60cm built-under dishwasher with ComfortLift™, mark resistant Dark Stainless Steel, AirDry technology, light beam on floor indicator and 14 place settings.

RRP: \$\$1,999

- As gentle on you as on your dishes, the **world's first ComfortLift™ Technology** raises your dishwasher's lower basket to a comfortable height making it effortless to load and unload. It then descends in a gentle motion to ensure your dishes are always cared for
- Enjoy the peace that comes with an ultra-quiet dishwasher, thanks to the durable and long-lasting **Inverter Motor**. With a whisper-quiet 44dBA operation noise level, you can turn your dishwasher on any time, day or night
- The intuitive **AirDry technology** automatically opens the door 10cm towards the end of the cycle which ensures natural drying without wasting energy
- Achieve outstanding results with the **FlexiSpray arm and five spray levels**. Unlike traditional spray arms, ours moves in multiple directions, reaching even the most crowded area to ensure all of your items are impeccably clean, no matter how they are loaded.
- Designed to complement your busy lifestyle, the new **TimeSaver** option puts you in control. You can cut the length of selected cycle times so that your dishes are ready at a time that suits you. You can also wash a full load in up to 50% less time with the Eco, FlexiWash and Intensive programs
